Players will be charged \$35.00 per day for all tournaments that they are selected to play in as representatives of Mid Canterbury Cricket Association, up to and including the Canterbury Districts U19 tournament.

The \$35.00 per day will cover the costs of accommodation (where applicable), travel, a playing shirt and a cap.

Mid Canterbury Cricket Association will meet all extra costs above and beyond the costs required to enter representative teams into tournaments, including team entry fees.

Where individual representative teams raise funds to off set player levies, the extra money raised can be utilized entirely at the individual team managers discretion.
